WELCOME TO THE 2013 WHITEHAWK SHOWS!

It is, once again, my great pleasure to be able to work with this interesting and well-traveled group of dealers.

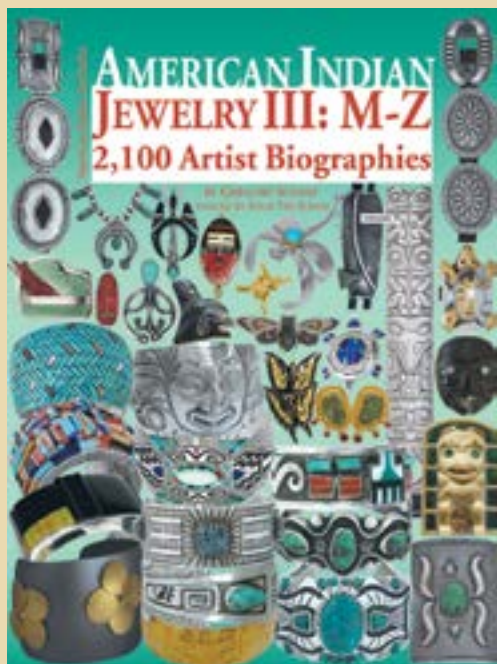

Many of them spend the majority of their time traveling to the far corners of the world to find treasures and interesting items for their booths. It would all be for naught, though, without the amazing support of our customers. To you I give heartfelt thanks! Good luck on your treasure hunt and see all of you in August.

—Marcia

What do you collect?

**We can help you find it. We can find someone to authenticate, appraise, repair, restore it.
We can help you insure it – at a discount. We can help you sell it.**

Wherever you are on the collecting spectrum, ATADA can help.

The opening page at www.atada.org is an illustrated directory of our professional members, listing their specialties (Tuareg amulets, textile conservation, etc.) and contact information. Associate and Museum members are listed as well. Our quarterly magazine, the ATADA News, focuses on who's who and what's what in the tribal and Native American art worlds.

We'd love to talk to you about joining at the ATADA table in the lobby at the Whitehawk Ethnographic and Whitehawk Indian shows.
